

Prologue - Day 1

Start and finish at Darling Golf Club – Stage 1: distance 18km & elevation 335m

Plenty of climbing and not the easiest stage to start your race but will get you warmed up and into the mood. A nice Friday afternoon challenge in the Darling Hills!

Distance: 18km Ascent: 335m

First decent climb of the afternoon is Lanner Hill, home of the Lanner Falcon. Then ending at the start of Windmill Alley a short burst to the water tanks and then aim for the highest point of the day at Bokkop. Enjoy your view of Darling from here before heading home to your race village.
